

Hearing Self Assessment:

1. Do you hear people speaking, but have difficulty understanding the words?
2. Do you notice you are "favoring" one ear over the other?
3. Do you find yourself asking others to repeat themselves?
4. Do people seem to mumble more often, making it hard for you to understand them?
5. Do you have problems clearly understanding certain women's or children's voices?
6. Do you have difficulty following conversations while riding in a car?
7. Do find yourself turning up the radio, TV or stereo?
8. Do you find it difficult to follow conversations in crowded rooms?
9. Do you want or need to sit closer to the front in church, theatres or auditoriums?
10. Do you ever avoid social situations because of your hearing?

Hearing loss is very common, if you answered yes to even one of these questions, you may like to try a hearing aid. We offer a 30-day trial, with payment returned if the instrument is defective in fitting or function.
