## ReSound LiNX 3D™ rechargeable hearing aids

ReSound LiNX 3D™ Rechargeable hearing aids are a convenient and cost-effective option. You get great sound quality, connectivity to your favorite devices and the extra support of ReSound Assist all day without the need to regularly change batteries.

**Convenience** - Just leave them in the charger when you go to sleep and they'll be ready for you the next day.

**Savings** - No need to pay for hundreds of new batteries each year.

**Power** - ReSound LiNX 3D Rechargeable hearing aids deliver up to 14 hours of power with 2 hours of streaming.
